Attached please find a Winston No Bull Wave II PDI Allocation Request form. Please input your requested allocation for the items listed and e-mail back to me at your earliest convenience, but **no later than September 10, 1997.**

NOTES:

- ① This Wave II Allocation Request supersedes any requests you have previously submitted.
- ② Please pay particular attention to the "Due @ GATX" column to ensure that you have considered the availability date relative to your implementation plans for items requested.
- ③ Shipping time will add 1-3 weeks to the available "Due @ GATX Date."
- ④ I will have these items allocated down to your Region level once I hear back from you and work out any requests in excess of total Sales Area allocation -- if applicable.
- ⑤ These are the only items Winston plans to reproduce. I realize at least one of you requested the Winston Tower display, but the BBU elected to only offer the pack replica counter display.

Please call with any questions.

Best regards,

John
